

Scott Muzzy's 30 inch buck

Scott Muzzy took this 30 inch wide 4x4 that scored around 170 on the same hunt with Sam Jones pg #4. Scott's deer was harvested while driving through thick patches of timber. Scott also hunted with Gary Amerine of **Grey's River Trophies**. Scott glassed the buck approaching from a quarter of a mile away. When the buck got within 125 yards, Scott dropped him with one shot from his .300 Winchester Mag.
